

2000 University of Iowa Operations Manual

PART V. ADMINISTRATIVE, FINANCIAL, AND FACILITIES POLICIES

CHAPTER 35: CONDITIONS OF USE OF UNIVERSITY FACILITIES

35.5 PROHIBITIONS IN USE OF FACILITIES.

(Amended 9/92; 10/94; 9/98; 9/99; 2/00)

a. Smoking Policy. Smoking is prohibited in all buildings and vehicles owned or leased by The University of Iowa, regardless of location. This policy applies to all indoor air space, including individual faculty and administrative offices. Outdoor spaces, specifically the immediate areas surrounding fresh air intakes for University buildings, may be designated as no-smoking areas. Facilities may be posted "smoking permitted" to accommodate bona fide artistic performances, when smoking is an integral part of the work. Posting will be the responsibility of the director of the primary program housed in that facility.

b. Food and Beverages. Food and beverages shall be consumed in academic buildings only in areas designated by the responsible administrative (e.g. collegiate, departmental) unit.

c. Concert Tickets. Minors are permitted to purchase tickets for concerts held on campus scheduled primarily for the entertainment of University students. If conditions warrant a change in this policy, the University may prohibit minors who are not University students from purchasing tickets, on a concert-by-concert basis or a site-by-site basis.

If the content of the concert is deemed to be "obscene material" as defined by Iowa Code 728, sale of tickets to minors may be prohibited, unless the minor is accompanied to the concert by a parent.

d. Animals in Buildings Policy. Dogs and other mammals, birds, and reptiles are not permitted in any University building or structure, and if found are subject to impoundment. Leader dogs and experimental subjects are excepted.
