Please indicate the typical frequency of meetings (e.g., first Tuesday of month at 4 pm). If there are subcommittees, please indicate the frequency of those meetings, too.	The meetings are using Thursday 5:15PM-about 6:30PM with the exception of the Editor Selection Meeting that is often held the Monday before Spring Break (this meeting can be quite lengthy depending upon the number of candidates and the ease in the selection). There are four subcommittees: Budget, Education, Elections, and Publisher Selection that meet as needed, probably about 3 times during the year.
Current Year Activities	Received monthly reports from the editor and publisher, picked scholarship winners, selected the editor for next year, met with the auditors, approved the budget for next year, much discussion on ways to raise revenue and cut expenses, evaluated the publisher and extended the publisher's contract, discussed frequency of publication during the Summer Semester, discussed the future of the DI and the relation of the print media to the electronic media and DI TV
Topics your committee anticipates addressing during the coming year	Budget concerns, publishing frequency during the Summer Semester, the role of the print media versus the electronic media and the DI TV
Other issues of concern	None
What should we tell applicants for this committee regarding expectations of members (anticipated workload, existence of subcommittees, etc.)?	Members are expected to attend all meetings and to be on at least one subcommittee (mentioned above). No knowledge of the publishing business is necessary. All members are involved in the editor selection and depending upon your subcommittee assignment you may be involved in the selection of scholarship winners (this involves reading a number of

	applications and conducting interviews), helping formulate the next year's budget (probably four or five hourly meetings), or publisher evaluation (several hours of meetings).
<i>Recommendations, if any, to the shared governance groups.</i>	None
