Topics your committee anticipates addressing during the coming year	<p>The Committee anticipates reviewing:</p> <ul style="list-style-type: none"> a) detailed designs for a new clubhouse at Finkbine Golf course and for the new Museum of Art building; b) conceptual and detailed designs for the following major improvement projects: the Communications Center, Lindquist Center, Bowen Science building, Field House, and the West Terrace of the Old Capitol building; c) working on the new Master Plan process; d) more requests for signage and banners; e) ongoing preservation of and renovations to various buildings on campus; and f) plans for other projects yet to be announced.
Other issues of concern	<p>The Committee expects to continue to try balancing environmental, aesthetic, and budgetary concerns. Finding ways to increase sustainability and to develop a campus that favors walking and biking, while enhancing its visual appeal will be an ongoing challenge.</p>
What should we tell applicants for this committee regarding expectations of members (anticipated workload, existence of subcommittees, etc.)?	<p>Prospective members of the Campus Planning Committee should have experience and interest in serving as a voice for enhancing the visual, aesthetic, and sustainable character of the campus.</p>
The Faculty Senate Office collects agendas and minutes from the charter committees to send to the university archives. Please let us know the best way to get that information from you (e.g., direct us to a website, put us on the committee's distribution list, etc.).	<p>Please contact Shawn Kleppe, Administration Services Specialist at kleppes@uiowa.edu</p>
