| Current Year Activities | **FY18 Plan:**  
- Review Flexible Work Arrangements (FWA) toolkit. Make recommendations for updating it and ideas to broaden communication opportunities. Evaluate comparative data of peer institutions and create benchmarking points for Family Services to evaluate.  
- Review student parent resources. Review survey data about childcare subsidy recipients to identify areas of potential growth. Seek out other student parent resources already existing on campus.  

**Year to Date Actions Completed:**  
- Provided representation on the HR Operations Team Sub Committee looking at intangible benefits, including parental leave, lactation resources and flexible work arrangements.  
- Recommendation and implementation for Family Services to have increased visibility at faculty, staff and student events.  
- Reviewed information regarding COGS policy on parental leave. Made recommendation for Family Services to collaborate with Graduate Student Employment Committee (Graduate College). |
- Brainstormed additional campus resources for student parents to create an inclusive list.
- Brainstormed various ideas that led to implementation of broadening the Flexible Work Arrangement Toolkit.

**Topics your committee anticipates addressing during the coming year**

- Invite key stakeholders regarding parental leave policy and FMLA to meet with FICC. FICC will review and evaluate various options for parental leave.

**Other issues of concern**

**What should we tell applicants for this committee regarding expectations of members (anticipated workload, existence of subcommittees, etc.)?**

The workload is relatively small, generally no more than an hour or two per month outside meetings. There are no subcommittees at this time.

**The Faculty Senate Office collects agendas and minutes from the charter committees to send to the university archives. Please let us know the best way to get that information from you (e.g., direct us to a website, put us on the committee’s distribution list, etc.).**

Meeting minutes can be found on our Family Issues Charter Committee website: [http://www.uiowa.edu/ficc/meetings](http://www.uiowa.edu/ficc/meetings)

**Recommendations, if any, to the shared governance groups.**
