Report Year: 2018-2019

<b>Committee Chair(s)</b>	<i>Caroline Sheerin (College of Law)</i>
<b>Committee Members</b>	<p><b>Faculty Members:</b> Craig Gibson (College of Liberal Arts and Sciences: Classics); Darus Bennett (College of Medicine: Radiology); Christine Ogren (College of Education: Educational Policy &amp; Leadership Studies); Bruce Nottingham-Spencer (College of Liberal Arts and Sciences: German).</p> <p><b>Ex-officio Member:</b> Larry Lockwood (Registrar)</p> <p><b>Administrative Liaisons:</b> Larry Lockwood (Registrar), Julie Fell, Curt Graf and Marcia McNamara (Office of the Registrar).</p> <p><b>Administrative Support:</b> Diane Bedell (Office of the Registrar)</p>
<b>Committee Charge</b>	<i>Make decisions on student appeals regarding residency status for tuition purposes. These appeals arise when students are classified as Non-Residents for tuition purposes but believe they should be categorized as Iowa Residents.</i>
<b>Current Year Meeting Dates</b>	<i>August 17, 2018; September 18, 2018, January 10, 2019 and March 5, 2019.</i>
<b>Please indicate the typical frequency of meetings (e.g., first Tuesday of month at 4 pm). If there are subcommittees, please indicate the frequency of those meetings, too.</b>	<i>The Non-Resident Fee Review Committee anticipates meeting monthly. Every attempt is made to schedule meetings at a time convenient to all members. Note that no meetings are held when there are no student appeals to discuss.</i>
<b>Current Year Activities</b>	<p><i>The work of the Non-Resident Fee Review Committee begins after a student who has been classified as a Nonresident for tuition purposes submits a letter of appeal to the Office of the Registrar. The student's desired goal is to change status from Nonresident (for tuition purposes) to Resident.</i></p> <p><i>Staff in the Office of the Registrar compiles each student's application materials, submitted documentation and letter of appeal. These packets are distributed electronically to each Committee member for review prior to the scheduled meeting. Each student is invited to attend the meeting in person. Most students choose to attend.</i></p> <p><i>During the appeals meeting, the Committee reviews the official Guidelines (from the State Administrative Code of Iowa) with the student, as appropriate. Students are questioned as to why they feel qualified to be classified as a Resident for tuition purposes. The student is then dismissed from the meeting. The Committee meets privately to discuss what they heard during each individual student's appeal. A vote is then taken.</i></p> <p><i>This year, we considered twelve appeals (compared to fourteen last year). The result of those appeals included 11 students retaining non-resident status for tuition purposes, while one was granted resident status for tuition purposes based on the student's appeal of her individual situation.</i></p>

<b>Topics your committee anticipates addressing during the coming year</b>	<i>The Committee will serve the same function: to hear students' tuition classification appeals. Each case is slightly different; therefore, it is not possible to predict which aspect of the Guidelines will be the basis for the next student's appeal.</i>
<b>Other issues of concern</b>	<i>None.</i>
<b>What should we tell applicants for this committee regarding expectations of members (anticipated workload, existence of subcommittees, etc.)?</b>	<i>Meetings are normally held not more than once a month. Preparation of up to an hour prior to each meeting (to familiarize oneself with each student's appeal materials) is expected. Student attendance indicates they appreciate having an opportunity to be heard. There are no subcommittees. Necessary support and resources are provided.</i>
<b><i>Recommendations, if any, to the shared governance groups.</i></b>	<i>None.</i>
