Topics your committee anticipates addressing during the coming year	Review and provide recommendations on the University's Master Plan and associated themes to include campus open space, building modernizations, new buildings, art display, parking, circulation, space assignments, bikeways, pedestrian ways, historic preservation, landscape, wayfinding, and infrastructure plans. Specific capital plans the committee will review include a new parking structure on lot 43, a new west campus academic building, and the historic Art Building modernization. The CPC will also review the University's Campus Improvement Plan (CIP)
Other issues of concern	

<p>What should we tell applicants for this committee regarding expectations of members (anticipated workload, existence of subcommittees, etc.)?</p>	<p>The Campus Planning Committee (CPC) provides advice and feedback to the Campus Planning and Development office. The CPC works via regular, open meetings, occurring approximately once monthly. In addition, a work session may be scheduled, contingent on need. The work sessions provide needed feedback on time sensitive issues, ongoing review of multi-stage projects, and facilitate a more detailed consideration of complicated proposals. Participation in work session meetings is by invitation only. All major campus planning initiatives are presented at the regular meetings of the CPC.</p>
<p>The Faculty Senate Office collects agendas and minutes from the charter committees to send to the university archives. Please let us know the best way to get that information from you (e.g., direct us to a website, put us on the committee's distribution list, etc.).</p>	<p>Please contact Shawn Albaugh Kleppe, Administration Services Specialist at shawn-a-kleppe@uiowa.edu</p>
