<b>Committee Charge</b>	Make decisions on student appeals regarding residency status for tuition purposes. These appeals arise when students are classified as Non-Residents for tuition purposes but believe they should be categorized as Iowa Residents.
<b>Current Year Meeting Dates</b>	August 17, 2022, September 23, 2022, November 30, 2022, and January 17, 2023 All 2022-2023 Committee meetings were held on Zoom.
<b>Please indicate the typical frequency of meetings (e.g., first Tuesday of month at 4 pm). If there are subcommittees, please indicate the frequency of those meetings, too.</b>	The Non-Resident Classification Review Committee anticipates meeting no more than once per month. The Committee often meets only once or twice per semester. <b>Note:</b> Meetings are scheduled based on the submission of student appeals, no meetings are held when there are no appeals to discuss.
<b>Current Year Activities</b>	<p>The work of the Non-Resident Fee Review Committee begins after a student who has been classified as a Nonresident for tuition purposes by the Office of the Registrar submits a letter of appeal.</p> <p>Staff in the Office of the Registrar compile each student's documentation and letter of appeal. Appeal packets are distributed electronically to Committee members for review prior to scheduled meetings. Each student is invited to attend the appeals meeting and</p>

	<p>many students choose to attend. During the appeals meeting, the Committee reviews the official guidelines (from the State Administrative Code of Iowa) with the student, as appropriate. Students are questioned as to why they feel they should be classified as a Resident for tuition purposes. Students are dismissed after answering questions from the Committee. The Committee meets privately to discuss each appeal and a vote is taken.</p> <p>The Committee heard Residency Classification appeals from seven students in 2022-2023.</p>
<b>Topics your committee will address during the coming year</b>	The Committee will serve the same function: to hear students' tuition classification appeals.
<b>Other issues of concern</b>	None
<b>What should we tell applicants for this committee regarding expectations of members (anticipated workload, existence of subcommittees, etc.)?</b>	<p>Meetings are scheduled based on the submission of appeals. One to three meetings per semester is typical. Preparation of up to an hour prior to each meeting (to familiarize oneself with each student's appeal) is expected.</p> <p>There are no subcommittees.</p>
<b><i>Recommendations, if any, to the shared governance groups.</i></b>	None
