

Committee Member Expectations – Recreational Services

We schedule 6 to 7 meetings throughout the academic year; meetings are approximately one hour in length. Since Covid, meetings are both in-person and a zoom option. Meetings are usually held at the Campus Recreation and Wellness Center (CRWC) Conference Room.

The workload is very manageable. That being said, committee members should expect to put in a lot of work to things they may not see, such as long term construction and renovation plans. However, the committee and its staff are very open to hearing short term ideas, such as new equipment suggestions, new LLS classes, and so on.
